Striking Design. Exhilarating Performance.
German-engineered, inside-out.

The new Volkswagen Virtus is crafted for the ones who chase experiences. And who love nothing more than the freedom of driving a sedan crafted to thrill.

Hello Striking

The sheer size and timeless appeal of the sedan silhouette makes it a crowd favourite. And the new Virtus is Big by Design. Being the longest* (4561 mm) and widest* (1752 mm) in its segment gives it an unmistakable presence on the road. Available in 8 colours, choose one that matches your style or enhance its sporty appearance with the contrast roof[^]. An impressive grille with integrated LED headlamps and the chrome front wing with glossy black accents give the Virtus a signature look. The sharp dual shoulder lines enhance the length of the Virtus and give it a streamlined appearance. While a rear chrome wing and signature LED tail lamps make the Virtus practically unmissable, even from a distance.

gloss black "island" at the center

With a best-in-segment wheelbase* (2651 mm), the Virtus is spacious as can be. The digital cockpit and infotainment system placed in a high-gloss black 'island' at the centre is an absolute beauty and is packed with a variety of intuitive features. Careful attention to detail has gone into crafting even finer details like décor inserts. Premium materials in the interiors and contoured seating ensure maximum comfort, both for the driver and occupants. Leather + leatherette seats aren't only a delight to sit on but also a delight to look at. While chrome detailing gives it a refined elegance.

Hello Connectivity

The Virtus comes with a 25.65 cm* VW Play touchscreen infotainment system with 8 speakers, equipped with Wireless AppConnect with Apple Carplay™ and Android Auto™. Its best-in-segment 20.32 cm* digital cockpit with a customisable user interface lets you switch between analog and digital, seamlessly. And with wireless mobile charging, your phone will never run out of charge.

Hello Exhilarating

Dynamic Line

Powered by the revolutionary 1.0L TSI engine with Idle Start / Stop, the Virtus gives maximum power, with minimum fuel consumption. Generating 115 PS of power and 178 Nm of torque, the Dynamic Line comes in 6-speed manual transmission or automatic transmission options. Engine idle Start / Stop function optimises fuel consumption by stopping the engine when stationary and promptly starting when it's time to move.

Performance Line

When it comes to the thrill of driving, the GT badged Performance Line is as invigorating as it gets. It's powered by the revolutionary 1.5L TSI EVO engine with active cylinder management technology mated to a 7-speed DSG transmission. The GT is sporty through and through. Exteriors in a stunning dual-tone finish and a Carbon steel grey roof give your Virtus a stealthy look. 'Razor' black alloys make sure all eyes are on you. While premium alu pedals, red brake calipers in the front and a black boot-lid spoiler accentuate its sportiness. Finally, the iconic GT badge puts a stamp on the legendary performance Volkswagen is renowned for.

Introducing
Virtus GT Edge

Introducing Virtus GT Edge Collection

Say hello to the Virtus GT Edge. A sedan crafted to make heads turn with its exclusive design and unmatched performance.

Experience power-packed performance in a new shade - Deep Black Pearl, with a 6-speed manual or 7-speed DSG transmission option mated to the revolutionary 1.5 TSI EVO engine.

Hello Convenience

Go keyless with the smart KESSY feature. The multi-function steering wheel puts the Virtus at your fingertips. Smart touch Climatronic AC and ventilated leather front seats keep you comfortable. A 60:40 split in the rear seats ensures there's sufficient space. A large 521L* boot space keeps you always ready for spontaneous getaways and engine idle Start / Stop function optimises fuel consumption.

Hello 5 Star Safety

German-engineered for unmatched safety

The Virtus has achieved a prestigious 5 star GNCAP safety rating for both adult and child occupants, a testament to Volkswagen's continued commitment to engineering for unmatched safety.

The Virtus is equipped with over 40 safety features including up to 6 airbags to ensure safety in the event of a critical crash and Electronic Stability Control which detects critical situations and prevents skidding. Park Distance Control and rear view camera make parking in tight spots easier than ever. Multi-collision brakes, and Hill Hold Control keep you secure. While, tire pressure deflation warning, 3-head rests at rear, ISOFIX child seat anchorage, and brake disc wiping make the Virtus a safe choice.
